VESSEL ADVANCE ARRIVAL REPORTS \$65/Month

Special Vessel Advance Arrival Report (with Lloyds Numbers) **\$80/Month**

These popular reports cover an average of 4-5 days and are published and distributed daily at approximately 1200. All vessels scheduled to arrive at POLA/POLB are listed by name, along with their flag, call sign, propulsion, type, last port of call, purpose of visit, agent, estimated time of arrival (ETA) (hour and date), and the anticipated berth or anchorage assignment.

The Special Advance Arrival Report includes all the above plus the vessel's Lloyds number, and covers ALL anticipated arrivals.

ACTIVE VESSELS IN PORT REPORTS \$55/Month

This useful report lists ALL commercial vessels in port for any given day, showing vessel name, berth or anchorage assignment, actual arrival and estimated departure dates, vessel operator, last port/next port, and other pertinent information. The report is produced twice daily at approximately 0700 and 1200. Available in alphabetical order by vessel name or chronological by arrival time. The chronological report includes the 20-mile arrival time.

VESSELS DUE TO SHIFT / SAIL REPORT \$35/Month

Updated 3 January 2019

This report is produced daily and shows all commercial vessels scheduled to depart from LA/LB Harbor that day and the next. Includes vessel name, flag, propulsion, berth or anchorage assignment, destination, and their ETD (by hour and date). On Shifts within or between POLA/POLB, the vessels are identified by name, along with flag, propulsion, type, current berth or anchorage assignment, the scheduled time for shifting, purpose of visit, and their new berth or anchorage assignment after the shifts.

VESSEL ARRIVAL / SHIFT / DEPARTURE REPORT\$65/Month

These reports are published each morning, covering the previous day’s actual vessel arrivals, departures, and shifts (from 0000 to 2400). Includes vessel name, operator and agent, net tonnage, last port / next port, flag, LOA, type, propulsion, and berth or anchorage assignments.

VESSELS DISCHARGING CARGO INVOLVED IN FOREIGN COMMERCE (BROKER’S REPORT).....\$35/Month

This report is produced each morning and lists all vessels that arrived from the previous day (0700 to 2400 hours) to current day (2400-0700 hours) and are scheduled to discharge cargo in foreign commerce. Broker’s Report shows flag, propulsion, type, call sign, agent, time, berth or anchoring location, and port of call.

HARBOR VESSEL TRAFFIC UPDATE REPORT.....\$65/Month

This report summarizes a “snapshot’ of the traffic expected in the port for the current day and the next three days. The report is produced daily at approximately 0700 and 1200. It provides a total vessel count and a container vessel breakout for each of the following: Vessels currently in port; Vessels scheduled to arrive; Vessels scheduled to shift; Vessels scheduled to depart; and Vessels at anchor.

MASTER QUEUING LIST REPORT..... \$65/Month

This report lists vessels that are awaiting berth in order from oldest arrival date/time to newest, with the vessel at the top of the list having highest priority. The Master Queuing List is provided to aid thoughtful planning when vessels are anchored awaiting berth. This report is also intended to support the function of the Marine Transportation System Recovery Unit (MTSRU) of U.S. Coast Guard Sector Los Angeles and Long Beach following a port-shut-down for any reason, natural or man-made. The report is produced daily at approximately 0700 and 1200.

ADDITIONAL PORTS REPORTS
