Zoom Meeting Protocols

General Housekeeping information since we are in a Virtual format:

- Special thanks to Jacobsen Pilot Service for providing the Zoom Platform and to Captain Mark Coynes who will be our system administrator supporting this meeting.
- Kindly be aware of your background noise. Since this is a public meeting and we may have people participating by phone who we can’t see and can’t use the chat function, we can’t mute everyone. Therefore, we encourage the considerate and respectful gesture of muting oneself when not speaking to the group.
- Since we can’t have the usual sign-in sheet we’ll take a few minutes at the beginning of the meeting to take attendance and establish a quorum.
- The new of State of California guidance requires all votes in virtual format to be roll call, and we will be implementing that requirement at this meeting.
- The Chairperson will invite comments and questions from HSC Members as usual during the meeting.
- There is the usual Public Comment period per the agenda.
- Attendees on Zoom may submit comments or question via chat box (at the bottom of your screen) or verbally.
