MARITIME INFORMATION SERVICES

DAILY TRAFFIC REPORTS

FIVE MAJOR PORTS IN SOUTHERN CALIFORNIA

We have customers across the nation and around the world. Our focus is on providing information for five major ports in Southern California: Los Angeles; Long Beach; San Diego; Port Hueneme; and the Chevron Offshore Terminal in El Segundo.

WHAT WE OFFER

Subscribers receive detailed reports of vital vessel information such as: vessel name, estimated time of arrival and departure, size, tonnage, etc.

TYPES OF REPORTS

Reports are generated daily at 7am and noon and can be accessed in real time at www.mxsocial.org. Popular reports include Advance Arrival Report; Daily Arrival, Shift, and Departure Logs; Active Vessels In Port; and Sail and Shift Reports.

SPECIAL REPORTS

Our Maritime Information Specialists can prepare custom, *ad-hoc* reports for customers upon request to meet your specific information needs. Fees for these reports are assessed based on customer request and amount of data in the report. Please call the Maritime Information Department for more information and pricing for all reports.

Samples of our reports,
pricing and more can be
found online at
